OUR MACHINERY

**Paper Feeder
With Variable Frequency A/C Drive
(VFD) motor and hydraulic self
loading reel stand complete.
Size: 42"(Small) & 66"(Big)**

**Heavy Duty Oblique Type Paper
Corrugation Machine. We have
two corrugation machine
Size: 42"(Small corrugation)
& 66"(Big corrugation)**

**Auto sheet cutters with PIV gear
as well as two ply corrugated
board & A/C Variable speed
frequency drive with synchronizing
attachment.
Size : 52" and Size: 66"**

OUR MACHINERY

Roller Sheet Pasting Machine with hard chrome roller with 1 H.P., 3 phase motor, pulley & belt complete. We have two machines.
Size: 105"

RS4 Rotary Creaser Slotter
(Rotary Die Cutting With
Slotting and Punching)
Size : 66"x 105"

4 Bar Rotary creasing and Cutting
Machine with 4 set creasing heads
& 4 sets of cutting heads with
motor, pulley & belt complete.
Size : 105"

Eccentric Slotter
Size : 105"

OUR MACHINERY

Die Cutting Machine.
Size : 35"x45'

Box Stitching Machine.
We have 4 machines.
Size : 42"
Size: 60" (Three Machines)

Side pasting
Size : 40"x75

Corrugation gum tank
